2 Timothy 2:20-21 In any big household there are naturally not only gold and silver vessels but wooden and earthenware ones as well. Some are used for the highest purposes and some for the lowest. If a man keeps himself clean from the contaminations of evil he will be a vessel used for honorable purposes, clean and serviceable for the use of the master of the household, all ready, in fact, for any good purpose.

If we are a vessel in God's household. It really does not matter if we are the gold vessels or the earthenware ones. The challenge is that we should be clean and usable vessels fit for our Lord to use. We must not allow ourselves to be contaminated by the evil in the world around us. We must remain focused on the Lord seeking His help and strength to live godly lives in a perverted world. If we do that they we will be "*clean and serviceable*" ready for the Master to use us at any time.

PRAYER: Lord God, please make me clean and usable for Your purposes at all times. May I always be available and ready no matter what use You have for me. May I be usable in everyway and may people forget about the vessel and see only You.
