**Hebrews 11:1,3,6** Now faith is being sure of what we hope for and certain of what we do not see....[3] By faith we understand that the universe was formed at God's command, so that what is seen was not made out of what was visible. ...[6]And without faith it is impossible to please God...

**\*\*\*\*Life Application Bible Notes:** "Two words describe FAITH: **sure** and **certain**. These two qualities need a secure beginning and ending point. The beginning point of faith is believing in God's character - he is who he says. The end point is believing in God's promises - he will do what he says. ...God called the universe into existence out of nothing; he declared that it was to be, and it was. Our faith is in the God who created the entire universe by his word."

**PRAYER:** Lord God I know You are Sovereign over ALL things. Help me to make that Truth real by trusting You for ALL the details of all that is going on in my life right now. Lord, You spoke into existence this whole universe. You created it from Nothing. If You can do that then ALL my doubts and fears, all my struggles are things you can handle easily. Please help me to trust You with ALL the things that are going on in my life today.
