Dear Open Door Family,

I am enjoying the start of fall. I do enjoy the cooler mornings and the leaves turning all kinds of colors. It is one of those things that makes me wonder how anyone could say that there is NO creator. Or that God is NOT a good God. Imagine, He could have simply had everything turn brown and die. But instead God orchestrates more colors and shades and variations than we could possibly keep track of. What an awe inspiring God we have. Enjoy these verses as you enjoy His creation.

Psalm 19:1-4 The heavens tell of the glory of God. The skies display his marvelous craftsmanship. [2] Day after day they continue to speak; night after night they make him known. [3] They speak without a sound or a word; their voice is silent in the skies; [4] yet their message has gone out to all the earth, and their words to all the world. The sun lives in the heavens where God placed it. (NLT)

Psalm 19:1(MSG) God's glory is on tour in the skies, God-craft on exhibit across the horizon.

Psalm 19:1 (NIV) The heavens declare the glory of God; the skies proclaim the work of his hands.

The heavens declare, announce, or put into a picture the Glory of God. They Display the fact that there is a Creator. The Glory of God is VISIBLE for everyone to see day after day and night after night. Creation does not use words but the message is clear. Come see the evidence and the Glory of the Creator. Marvel at the expanse of the universe. Be in AWE of the intricacy of how it all works so wondrously together in perfect harmony. The statement of the Glorious Creator is visible everywhere on earth. DESIGN REQUIRES DESIGNER.

PRAYER: O Lord God, thank you for declaring Your existence but also Your Power through the heavens. Lord, if you can create and sustain all of that, then the things that I struggle with are not a problem for you. Help me Lord, God to see Your Glory everyday all around me.
