Romans 8:28 (NASU) And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose.

***FROM: Taste and See "If we believe in the God of Romans 8:28, we will always remember that by the time we know a problem exists, God has already been working on it and his solution is on the way." "...the point here is not that God spares his people trouble. ...Problems will not always turn out the way we think is best. But that does not mean God is not at work. He is ALWAYS at work. And he is turning all our losses and all our pains into something good for us as we trust him. This is HIS PROMISE." (pg. 19-20)

PRAYER: Lord, please help me to remember I never need to panic. No matter what happens YOU are still in control. Nothing catches You by surprise. Help me to trust You with all things and to remember I do NOT need to be in control because You are.
